

Hi my name is Kira

Hopefully you will be familiar with the grids by now, having used some of the previous series. This one is the 4th series of the “ Orion Star Grids “ (in Stars). These are Enhancement Grids from the **Elohim** (the Lords of Light), specifically to help you with your **personal and planetary transformations**. Again, use as guided, but they are especially effective when placed upon the ‘ Hara ’ (place just below the navel, and slightly to your right). Each set is attuned to your personal vibration. <https://frequencyandlighthealing.com>.

The Solar Grid tends to bind Matter and Energy in the creation of new forms. It radiates Solar Light from the **Galactic Centre** through our energy systems, feeding and nourishing them with the pure Light of **Orion**.

VIII. PATTERNING GRID

The Patterning Grid is another grid which changes our basic Blueprint, with the addition that it works to restore the Blueprint we all had prior to our ‘ fall from grace.’ It erases those negative modifications to our blueprint, caused during successive incarnation experiences.
